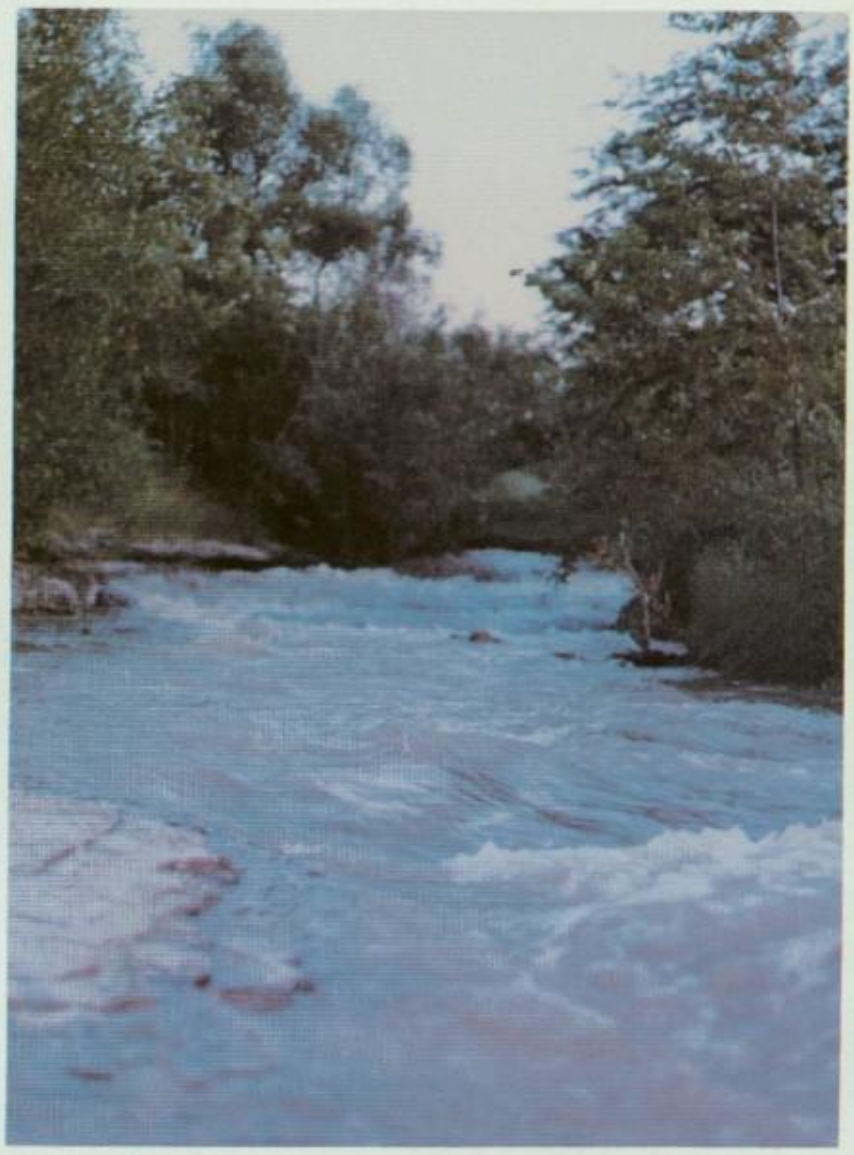
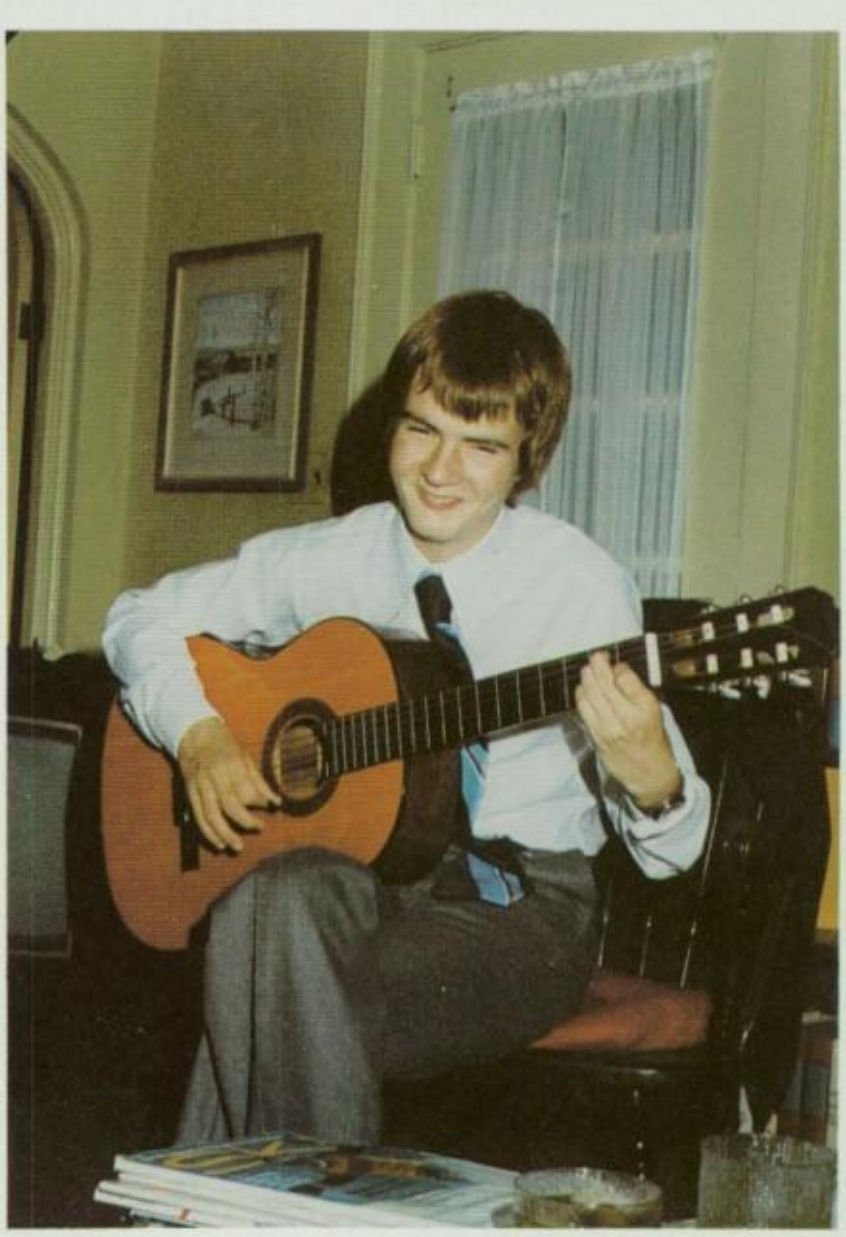
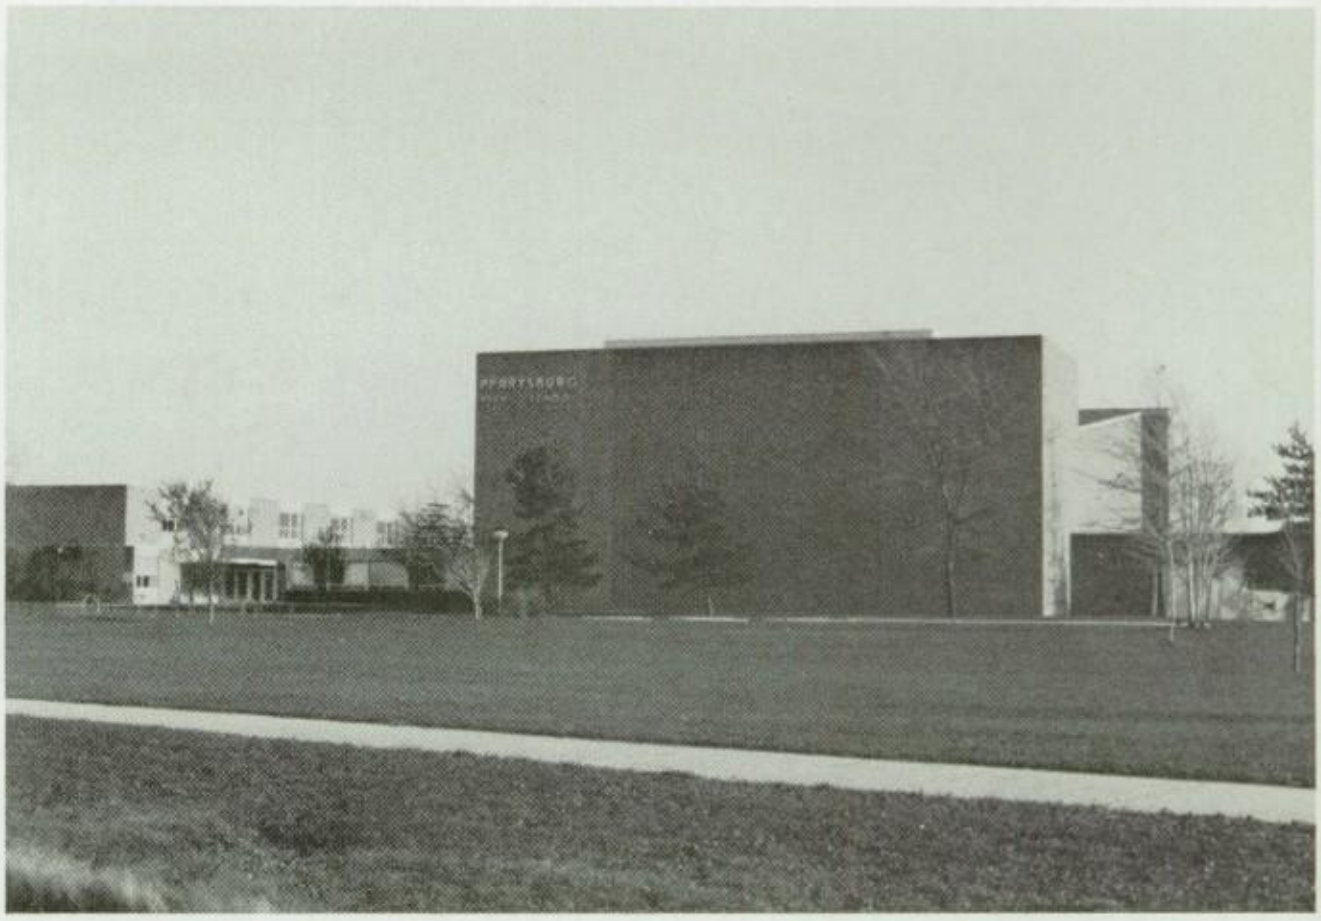
Good Morning Yesterday.
You wake up and times have slipped away.
And suddenly it's hard to find
The memories you left behind.

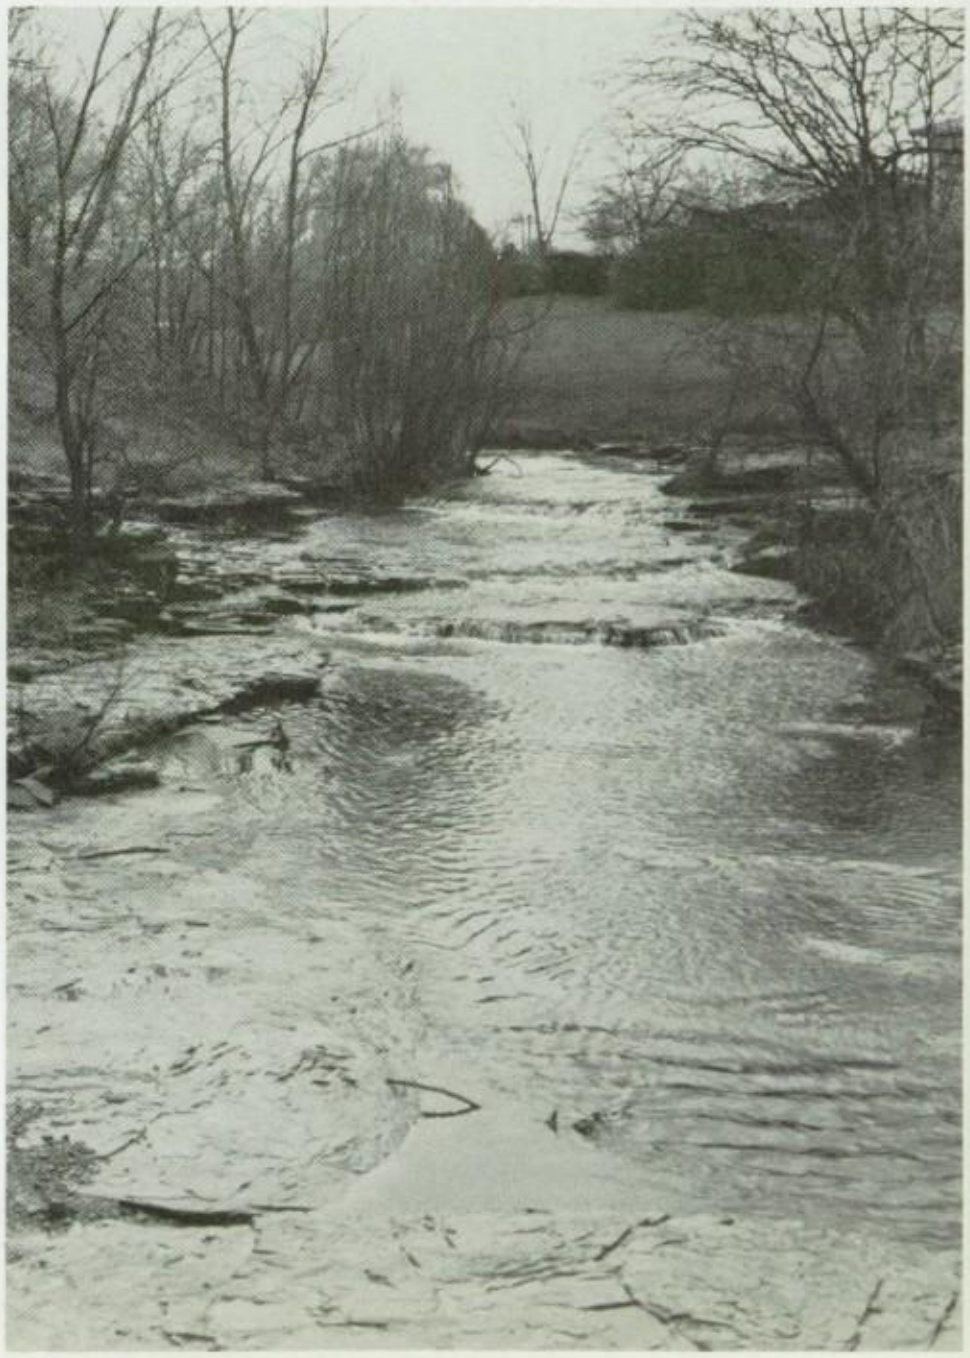
Remember . . .



The laughter and the tears,
The shadows of misty yesteryears,
The good times and the bad you've seen
And all the others in between
Remember . . .

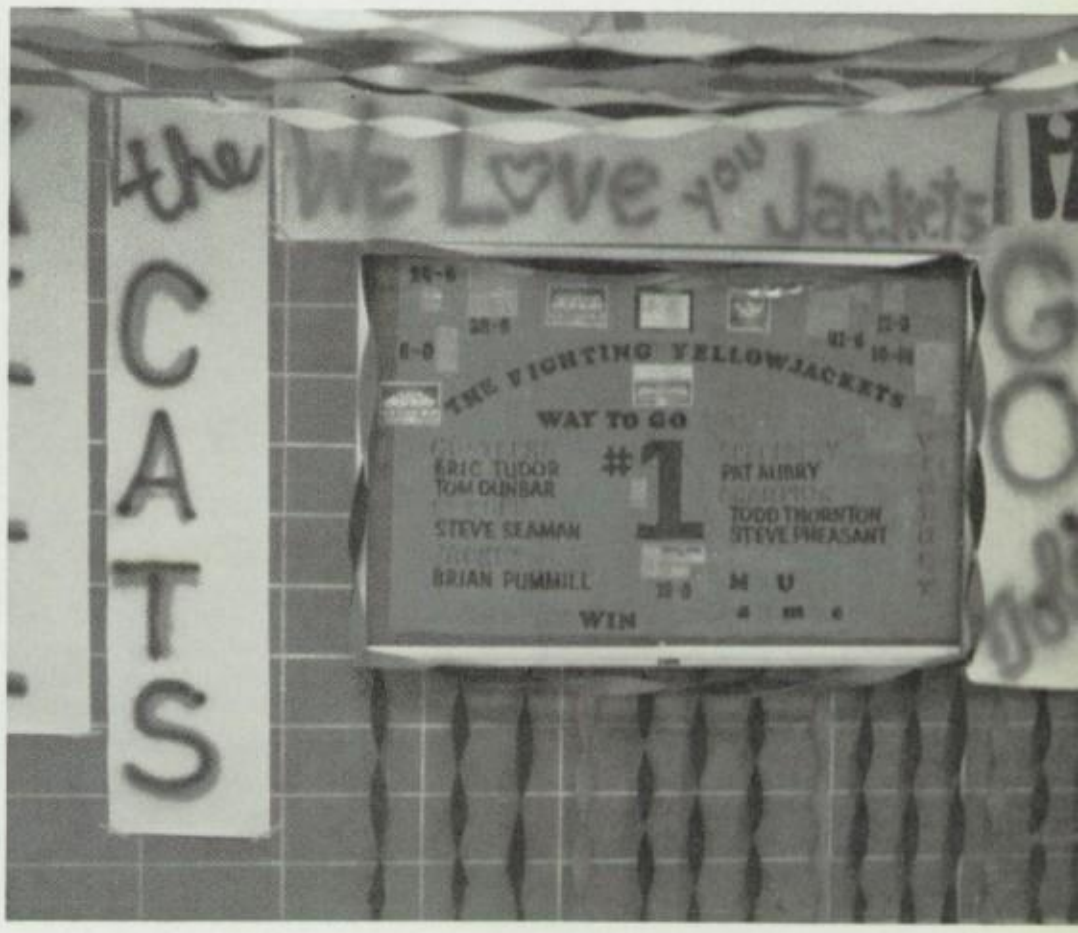


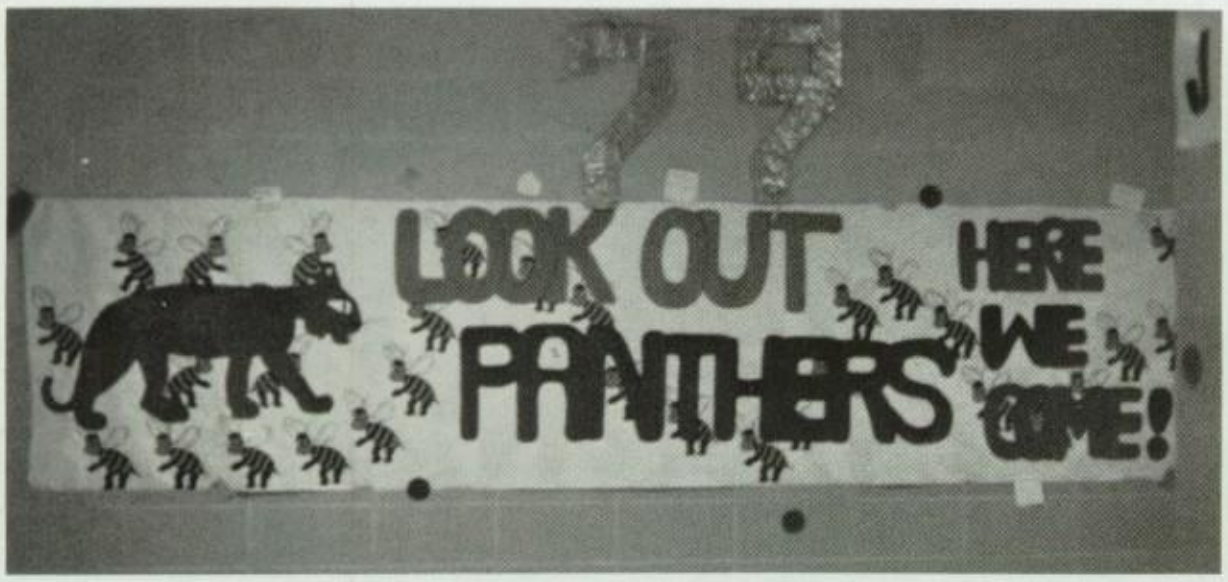




Look for the joy and the sorrow,
Put them away in your mind,
For memories are times that you borrow
To spend when you get to tomorrow.

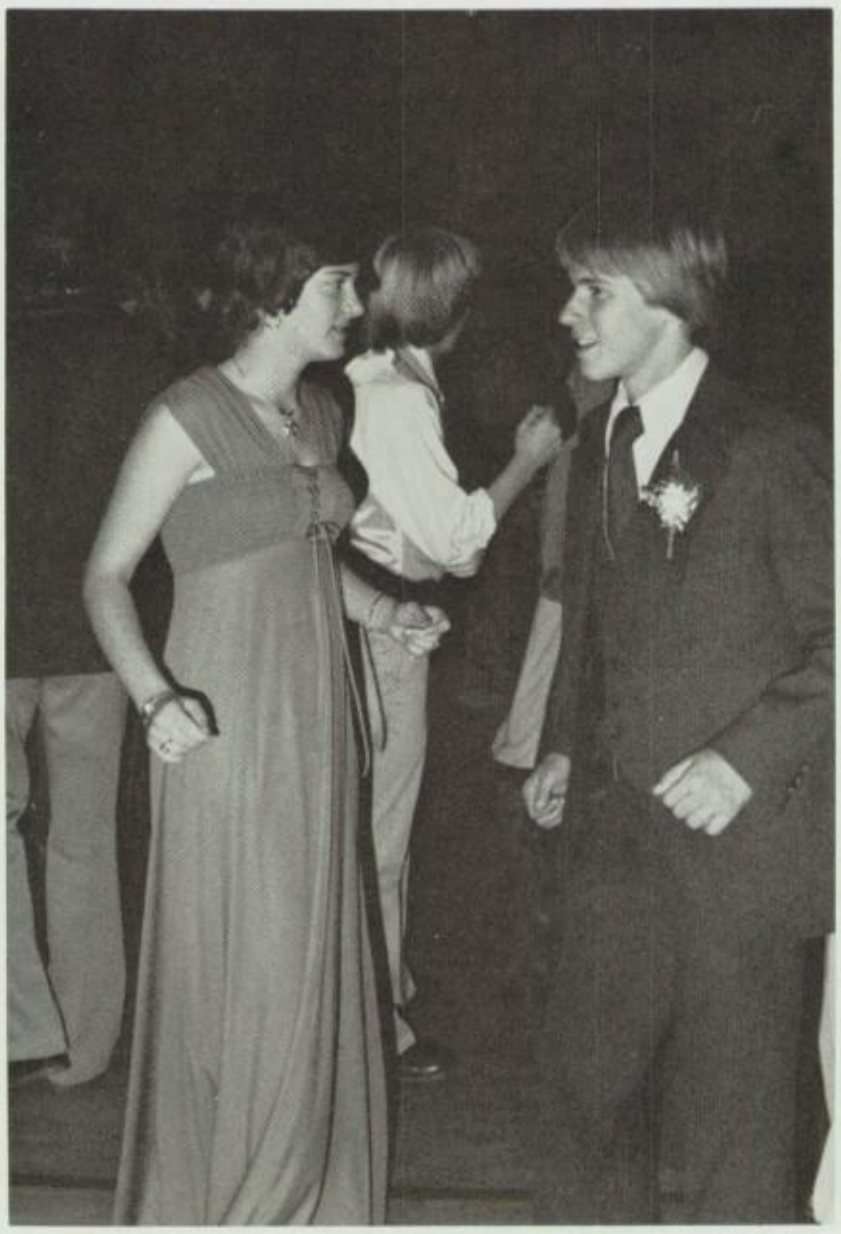
Here comes the setting sun
The seasons are passing one by one,
And suddenly it's hard to find
The memories you left behind





LOOK OUT
HERE
WE
COME!
PANTHERS

Remember? . . .



Death Can Be

Death can be a cold and cruel thing.
It can't stop and think about
what it's doing.
It has no time to feel the pain
that it causes.
All it knows about is taking something
away that's precious to us.
It can't say it's sorry or give
something in return.
It's only a part of everyone's life
that just has to be there.

Students Make World Travels

Philippe Guex was the AFS student for the 1977-1978 school year. He is from Fribourg, Switzerland. During his visit to the United States, he stayed with the Frederic Wolfe family. One of his many adventures was to vacation in Guatemala. Some of Phillipe's hobbies include skiing, fishing, and playing the guitar.

Row 1: Sally Shears, Mimi Whitney, Kim Carmony, Terry Boggs, Dave Boccia, Jeannie Lee, Ray Goeckerman, Mark Weills, Row 2: Debbie Borne, Barb Voegtlen, Janet Gutchess, Mary Cowles, Chris Morton, Rosemary Labanara.

Luciano Cesa came to Perrysburg through the 1977-78 Youth For Understanding Program. His home town is Caxias Do Sul, Brazil. Luciano stayed with the Clarence Benedict family. During his stay in Perrysburg, Luciano participated in many activities including attending solo and ensemble contest where he was a member of the Jazz Ensemble. Singing, along with playing the accordian, are some of Luc's hobbies. Tammi Breitner went to Amtzell, Germany as part of the YFU's Summer Program. While in Amtzell, Tammi attended school at the Wangen Gymnasium. Her host family was the Krankel family. Throughout her stay in Germany, Tammi traveled to many other cities and countries.

Renmark, Australia is where Sally Hostetler spent her summer as part of her AFS experience. She lived with Mr. and Mrs. Maxwell Schmidt and had a sister, Diane and two brothers, Steven and Russel.

During her stay, Sally attended Renmark High School. After her trip, she realized that Australia was not very different from the United States.

Tim Boggs, our Americans Abroad Student, spent a year in Johannesbourg, South Africa. He lived with the Salvatore Alario family and attended Highlands North Boys H.S. One of Tim's most exciting experiences was speaking on a radio show. He gave his impressions of the racial problems in South Africa on the South African External Broadcast. Tim traveled quite a bit throughout South Africa. When he wasn't in school or traveling, Tim found time to join in field hockey, cricket, and rugby. Pictured is (back) Mark Cohen, Tim, Mauro (Tim's host brother), and (front) Tim's host mom and dad.

American Field Service (AFS) is an exchange program that is world-wide. Young adults from all parts of the globe participate in this program.

AFS provides the opportunity for any student, who has applied and has been accepted, to live in another country for a year or a summer. Every student that goes abroad attends school with his or her host brother or sister. Adjusting to completely new surroundings and customs is a challenge every exchange student must encounter.

The Perrysburg Chapter of AFS is a very busy one. In the past year, they have sponsored two summer scholarships and one full year scholarship. In order to help fund these, the student chapter aided the adult chapter with its annual AFS Art Show early in October. Many area artists were on hand for the event.

Two AFS weekends, one in the fall, the other in the spring, were planned by the High School Chapter. During these weekends, area AFS students and their host brothers or sisters spend the weekend with a member of the Perrysburg AFS Club. Many activities are planned during these weekends.

In addition to weekends, the High School club participates in the International Dinner and helps AFS Students adjust to their life in Perrysburg.

Vocal Music Sounds Of Success

Drama club followed tradition by having their annual lifesaver lollipop, bagel and candy cane sales.

In the fall, the club traveled to the Fischer Theatre in Detroit to see Carol Channing in HELLO DOLLY and in the spring they saw MY FAIR LADY at Toledo's Masonic Auditorium.

The annual awards banquet featured "Basher" awards and the conventional awards merited for acting.

The drama department outdid themselves by having four productions, by far their biggest season. A new addition was "A Good Old Fashioned Talent Show" which gave people from the suburban area a chance to display their talents.

Along with the Talent Show which was on March 10, the club sponsored "Enter Laughing" Nov. 18 and 19, "Hansel and Gretel", put on by the drama class on Feb. 11, and OLIVER!, the spring musical on April 28, 29, 30. OLIVER! was a special production because the cast had members from all the Perrysburg Schools taking part.

George C. Munger retired effective June, 1978. His announcement marked the end of a dedicated, professional career which lasted 32 years. During 20 of those years, he was chairman of the English Department. He also helped organize the high school library, was advisor to the newspaper and yearbook, and served as sponsor to numerous clubs and organizations.

To honor his retirement, the English department established the George C. Munger Scholarship Fund. The scholarship will be given yearly to the student, selected by the department, who was most outstanding in the English area.

To kick off the scholarship fund drive, the PHS faculty presented "Faculty Follies", a mini-history of Mr. Munger's life, caricatured by faculty members in various skits. The show was highly successful and netted enough money to help enable the scholarship to be given for the first time at the 1978 graduation. Lisa Fraley was the receipent.

Mr. Munger will be missed equally by his colleagues and the students who will no longer benefit from his patience, hard work, kindness and love.

The class of 1981 was the biggest class Perrysburg High School had ever had. Their size, along with their rowdiness, helped them win the spirit award at almost every pep session. They also showed a lot of spirit in building their football homecoming float.

To wrap up the year, the freshmen sponsored a candy sale to raise money for their class treasury. All in all, they had a terrific year.

"We are sexy,
We are fun,
We're the class of '81."

Spirited Juniors

Class Of 1979

The junior class had a very successful year. During the month of December they had a 24 hour rock-a-thon in the Family Room at the Country Charm Shopping Center. Fifteen rockers lingered on for 24 hours and many other supporters dropped by throughout the period to lend encouragement.

The class also sponsored an April Fools Dance in the school gym. The event was a big success with music provided by Dr. Music of the Fort Meigs Plaza.

Spirited juniors led the entire school in a contest at McDonalds. A class effort won the treasury $100. Also an A&P Donation Day was sponsored, and, with the help from parents, the class treasury grew.

On May 20 a car wash was held a week before the Prom to raise more money.

Proceeds from fund raising activities throughout the year were used for the junior-senior prom, which was May 27 at the Toledo University Student Union.

"We're so super,
We're so fine,
We're the class of '79!"

Some juniors who "rocked" to support their class were Jenny Zirke, Jill Morgan, Cindy Simon, Laurie Cremer, Lisa Rava, Sue Moll, Jayne Odeneal, Rod Mercer.

Under the direction of Head Coach Larry Clark and Assistant Coach Bruce Baer, the Jacket basketball program has worked strenuously on the basic fundamentals of the game.

During the off season, open gym sessions, lectures on the skills of the game and contests involving these skills were all taught to members of the freshmen, reserve, and varsity teams.

Continuous practice and striving for perfection eventually paid off for these hard working coaches and players as they all had good seasons with the freshmen posting an undefeated year.

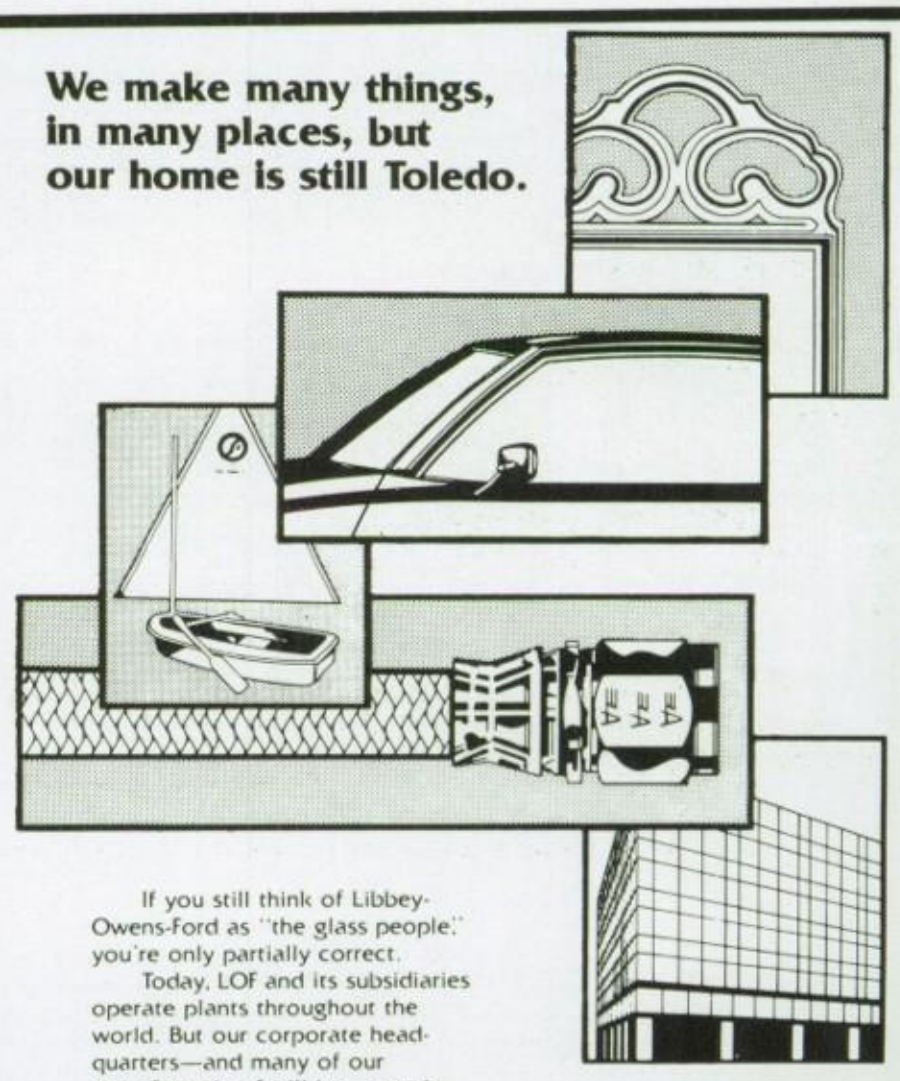
Looking toward the future...

As supplies of natural gas and oil continue to grow scarce, electricity will play an even larger role in meeting the expanding energy needs of our society. That's why Toledo Edison is developing new sources of energy, such as nuclear power, and planning ahead for the power needs of 1990 and beyond.

We're determined to meet this challenge and provide the best possible electric service for your generation and others that follow.

TOLEDO EDISON

We make many things, in many places, but our home is still Toledo.



If you still think of Libbey-Owens-Ford as "the glass people," you're only partially correct.

Today, LOF and its subsidiaries operate plants throughout the world. But our corporate headquarters—and many of our manufacturing facilities—remain where we began: in Ohio.

A Smashing Success

Thanks to our community, five tennis courts have been installed this year at Perrysburg High School. Having two high school tennis teams, in addition to a community with a growing interest in tennis, the need for additional courts was inevitable.

A sub-committee of the Perrysburg Athletic Boosters Club, headed by Mrs. Phyllis Morton and Mr. Arthur McCamey was formed. The steering committee was comprised of Mr. and Mrs. Terry Melton, Mr. and Mrs. John Sheringer, Mrs. Jo Anne Berry, Mr. and Mrs. Chip Dennison, Mr. and Mrs. Thomas St. Meyers, and Mr. and Mrs. Richard Kudner.

The "game" began on the 23rd of August, 1976, when the committee approached interested citizens with an outline of their plans for the facilities. Not meeting with the success they hoped for, a score of "love" remained. But the committee was just beginning to "serve". The opponents were going to be tough. Moving out of "back court", plans were formulated by November to conduct a fund drive and the Board of Education accepted the committee's plan.

The fund drive involved participation of every kind, including a sale of Coca-Cola products, a tote bag sale, and manning the glass recycling center once a month. A donation drive was conducted by mail to inform individuals, organizations, and businesses of the drive. A Tennis Ball Monte Carlo was sponsored at Holiday Inn with the room being donated by the Inn and prizes given by numerous businesses.

Efforts for installation of the courts went far beyond those of the committee, however. Some examples of assistance are: the first monetary contribution donated by Mr. Robert Fastnacht of the Dixie Electric Co., a "Bee Hive" with the proceeds being given to the fund, and M & R Developers donating a large monetary contribution, to mention a few of the much appreciated supporters. At this point in the game, the score was at "advantage".

Enough words of gratitude could not be expressed to Bowers Asphalt & Paving, Inc., who brought about the "change of pace". They gave a bid of construction within the budget. Thanks to them, it was possible for five courts to be installed and put to use in the early spring of 1978.

With the "match point" won, the student body would like to thank the committee, community, and businesses for their contributions to the success of the tennis courts.

Black And Gold Staff

That's it everyone! We hope you've enjoyed our publication. It's been a lot of work, a lot of arguing and a lot of deadlines but we hope you'll feel it's been worth it.

The new idea of a class in yearbook began this year. Mrs. Susan Jascob headed a fine, but mostly inexperienced staff, to create what we hope is an exciting book.

Co-editors were Tammi Breitner and Linda Shinn. Linda Shinn headed the senior section with help from Linda Lemle and Cathi Morlock. Deb Hankish came up with and carried out the idea for the division pages. Lisa Shiple handled the faculty and staff section.

Sports were completed by Craig Decker and Dave Morton while Jenny Zirke and Barb Lewis headed the advertising section with Jenny Fischer assisting. Cathi Morlock did a great job as our business manager.

The underclassmen division was designed through the combined efforts of Kathy Morgan (juniors), Gloria Collins (sophomores), and Julie Luzny (freshmen). Activities were handled by Becky Trogdon and Beth Phlegar.

Lorraine Ryan attended numerous activities and spent many hours developing pictures for the book.

Those who tied up all loose ends at the end of the year were Barb Lewis, Jenny Zirke, Jenny Fischer, Gloria Collins, Lorraine Ryan, Julie Luzny, Kathy Morgan, and especially Mrs. Jascob.

We hope this book will help bring back the 1977-'78 school year and with it many memories of "The Times of Your Life".
